## **Restoring Liberty and the Rule of Law: The Brussels Proclamation of August 4, 2013**

A Legal Notice and Instrument issued by The International Common Law Court of Justice:

### **The Crown of England, the Vatican and their affiliated bodies are Lawfully Dissolved**

#### **Preamble**

On February 25, 2013, our lawfully constituted Court found the following persons and organizations guilty as charged of Crimes against Humanity, including Genocide and human trafficking:

Elizabeth Windsor and the Crown of England, the (Anglican) Church of England and the United Church of Canada, former Pope Benedict, the Vatican and the Roman Catholic Church, and twenty eight other officials of these churches and the government of Canada, including its Prime Minister, Stephen Harper.

This verdict declared these institutions to constitute an international Criminal Conspiracy against humanity, as lawfully convicted criminal organizations. (1)

Under the United Nations Convention against Transnational Organized Crime (2000), participation in proven multinational criminal organizations is a crime, as is transferring money from such organizations. In addition, all funds, assets and property of such criminal bodies can be confiscated. (2)

Therefore, under international and domestic laws, the Crown of England and the Vatican, the government of Canada and the Catholic, Anglican and United Church of Canada, **are hereby and forever lawfully dissolved** as organizations, their property and wealth is forfeited and confiscated, and participating in their organizations or paying for their operation henceforth constitutes a criminal act.

As convicted criminal bodies whose head officers are fugitives from justice under bona fide Arrest Warrants issued on March 5, 2013, neither the Crown of England, the Canadian government nor any of these church bodies have any claim on the allegiance or obedience of any persons or societies. Under the law, as criminal organizations they have lost any right to govern or exist. These institutions must therefore be actively repudiated, disestablished and replaced by all persons, under the law.

The conviction and disestablishment of these criminal bodies is not only legal and necessary, but long overdue. For it is an indisputable fact that for centuries, both institutions of Crown and Church have acted as predatory foreign powers that have waged unrestricted warfare against humanity.

These institutions of church and state have unlawfully occupied and destroyed other nations, raped and drained lands of their wealth and vitality, waged cruel wars of aggression and genocide against other peoples, murdered the innocent, restricted and subverted their rights and liberties, stolen and destroyed countless children, and kept the world in a state of colonial dependency and impoverishment. These crimes continue today.

To secure justice and repudiate this legacy of crime, all of the clergy and officials of these churches and all Members of Parliament, government officers and civil servants, and the police, judicial and military forces of England, Canada and Australia are henceforth released from their previous Oaths of Office towards these bodies and heads of state. **Those former Oaths are hereby nullified and abolished.**

From this day forward, the former agents of these powers must refuse to give any aid, allegiance or counsel to these convicted persons and bodies, and must operate instead under a new allegiance and authority: that of the people of their congregations and nations.

**If these former agents of church and state continue to serve such convicted criminal organizations, they will be colluding in the crimes of rogue terrorist regimes that are a threat to humanity, and will be subject to arrest and banishment from their communities.** None of the laws or statutes of these criminal bodies are enforceable any longer, and any attempt to impose or enforce such laws on the people will constitute criminal assault and fraud.

Therefore, let it be known by the world that because of these undisputed facts, the time has come to overcome and heal the genocidal legacy and tyranny of this Church and State by re-establishing Liberty and the Rule of Law wherever the Vatican / Church of Rome and the Crown of England and its authorized churches once held authority.

This reclamation is a tremendous act of liberation, but also a practical requirement, now that lawful constituted authority no longer exists in any of the nations formerly under the Crown of England, including Canada, Australia and England itself, or within the so-called state known as the Vatican, and the congregations of the Roman Catholic, Anglican (Church of England) and United Church of Canada, and their affiliates.

These governments and churches have been lawfully rendered as bodies without legitimate or legal authority. A vacuum of lawful power will continue to exist until new constitutions are devised democratically by the people to replace these disestablished regimes.

#### **Returning to the Natural Rule of Common Law**

Millions of people formerly under these deposed regimes now have a rare historic chance to reinvent themselves, their governments and societies, and their religions - and to reclaim their world in the process.

2

Uniting all of these peoples is the unalienable fact of their common humanity, running like bedrock beneath all of their differences of class, creed, faith, or culture. That commonality arises from nature and is expressed in the basic precept of human life that has ensured our survival as a species: namely, that no law or regime shall cause harm to others.

This Natural Law of Peace and Equality is the basis of the Common Law that has traditionally been the peoples' sole bulwark of liberty against tyrants, kings and popes, and their self-serving systems of so-called civil, admiralty or canon law.

The Common Law recognizes that, as in nature, all things are given freely and equally to all people, whether it is life, the law, and the earth itself. No-one has any natural authority to rule over another or to claim more for himself than his neighbor, since all things by nature are placed in common for the equal benefit of all.

Similarly, as below, so above: creation and truth are bestowed equally upon all people, and are not the private possessions of a religious priestly caste that interpret and mediate sacredness for others or dispense salvation for a price. The realm of eternity, or the kingdom of heaven, is indeed within every man and woman.

This Natural Law means that any just and lawful government or religious body can only arise on the basis of self-governing, conscious men and women gathered as equals. Justice and equity cannot exist among the enslaved and the dependent. And it is to such a new disposition and arrangement that the people formerly under the Crown and the Vatican must now look.

The citizens of these nations and churches must begin to conduct and police themselves peacefully and equitably, under laws created and enforced by them. Devoid of any existing lawful or legitimate authority, people in the pews and in their own neighborhoods must become that authority for themselves and their children.

Our Court is authorizing a Reclamation movement to facilitate this peaceful revolution. We are working with many others to establish local bodies to arrange National Congresses that will draft a new Constitution and Charter of Right for the people of these former church and state regimes, in order to establish new democratic Republics where once dwelled tyranny and episcopal absolutism.

The basis of such a new Constitution will be its grounding in Natural Law and the recognition that the land and its resources and wealth are under the common ownership of the people as a whole, and must be held in trust for all, to ensure the common welfare as well as the health and sanctity of the earth itself, and all of its creatures.

Such a new Constitution will include legal guidelines to ensure that any church body henceforth serves the people and not itself or foreign powers, by reconstituting itself as a

purely congregational body, run by its members and not a corporate bureaucracy or episcopal hierarchy. This democratic faith will be legally guaranteed by a public oath whereby all clergy are elected by and answerable to their congregations and sworn as licensed public servants; and through the nationalizing of all church property and wealth.

**Legal Instrument and Declaration of Sovereignty**

Our Court has issued this Proclamation in order to make clear to the world that the former "subjects" of the Crown of England and the Vatican/Church of Rome are now and forever free citizens of new Republics that are coming into being.

This Proclamation is being issued today in every nation and church formerly under the authority of these criminal regimes. It constitutes a Proclamation of Purpose as well as a Legal Instrument whereby the signed bearer declares freely and will uphold in honor his or her status as a freeborn man or woman, subject to none of the former laws or governments, and living only under the authority of a democratically constituted Republic and a congregational-based religion.

**This fact is so proclaimed and lawfully ratified by the Bearer of this Proclamation.**

**Footnotes:**

(1) A criminal organization under Canadian and customary law is "three or more persons in or outside (the country) who have as their main purpose or activity the facilitation or commission of one or more serious offenses that, if committed or counselled, would likely result in the receipt of a material benefit, directly or indirectly, by the group or any persons in the group ... Facilitation of an offence does not require knowledge of the offence being committed or facilitated, or that an offence actually be committed." See [www.itccs.org/ICLC](http://www.itccs.org/ICLC) for the evidence of these crimes by the Crown and the Vatican for which they were found guilty.

(2) See Articles 5, 6 and 12 respectively in the Convention.

# **The Roman Catholic Church is declared a Transnational Criminal Organization**

## **The Brussels Proclamation of August 4, 2013**

**A Legal Notice and Instrument issued by  
The International Common Law Court of Justice**

On February 25, 2013, the Roman Catholic Church and its highest officials were lawfully convicted of engaging in Crimes against Humanity and an international Criminal Conspiracy to aid and abet child trafficking. This verdict of the International Common Law Court of Justice found that the Church and its governing body, the Vatican Incorporated, constitute a criminal body under international law. ([www.itccs.org/ICLCJ](http://www.itccs.org/ICLCJ))

On July 11, 2013, Pope Francis 1, Jorge Bergoglio, confirmed the criminal status of his church by establishing new internal church policies that counsel and compel criminality among his followers, clergy and employees. These policies and Bergoglio's own public statements reaffirm the existing canon law that protects child rapists, *Crimen Sollicitationis*, by directing all Catholics to suppress evidence of child rape and trafficking within their church, and threatening punishment of those who disclose such evidence.

By these remarks and policies, Bergoglio has not only ordered his followers to break the law but to commit treason in their own countries by violating child protection laws and undermining police agencies. The Pope, in short, is not simply facilitating international child abuse and human trafficking, but is heading a criminal conspiracy against the sovereignty of other states and the law of nations.

**Under international law, such actions amount to an act of war; and those responsible are justifiably declared to be an enemy of peace-loving humanity.**

**Let it be known to the world, therefore, that Jorge Bergoglio, the head of the Church of Rome, is indeed such an enemy of humanity. Accordingly, on Thursday, August 1, 2013, a Bench Warrant Order was issued by the International Common Law Court of Justice in Brussels for the immediate arrest and trial of Jorge Bergoglio for these crimes.**

**Let it also be recognized that as a proven international criminal body engaged in human trafficking, money laundering and child torture, the Roman Catholic Church constitutes an International Criminal Organization that is waging war against humanity, its children, and its laws.**

Accordingly, the Roman Catholic Church is subject to all of the sanctions provided by the United Nations Convention against Transnational Organized Crime (2000). These sanctions include the seizure of all funds, property and assets of the Church, the arrest of Church officers, and the return of all stolen lands and goods held by the Church.

Recognized criminal bodies like the Vatican and its church have forfeited their right to exist and are considered by civilized humanity to be dissolved. Not only their wealth but their policies, laws and authority are forever annulled. And anyone who participates in such disestablished organizations or who pays for their operations is committing a crime by colluding with convicted felons.

The top officers of the Church of Rome, starting with Pope Francis himself, are in fact fugitives from justice, under bona fide arrest warrants issued on August 1 and earlier, on March 5, 2013. Therefore, these church officers no longer have any legal or moral claim to the allegiance or obedience of anyone, and both they and their organization must be actively repudiated and disestablished, under the law.

The conviction and disestablishment of the Roman Catholic Church is not only legal and necessary, but long overdue. For it is an indisputable fact that for centuries, the Church of Rome has acted as a predatory foreign power waging unrestricted warfare against humanity.

The Church of Rome and its client governments have unlawfully attacked, occupied and destroyed other nations, raped and drained lands of their vast wealth and vitality, waged cruel wars of aggression and genocide against other peoples and murdered millions of them, restricted and subverted their rights and liberties, stolen, tortured and destroyed countless children, and kept the world in a state of fear, dependency and impoverishment. And these crimes continue today, with the help of governments around the world.

Some of these colluding powers, including the Crown of England and the government and churches of Canada, have also been indicted and convicted by our Court for such genocidal crimes, and now stand under the same legal order of disestablishment and annulment. But any government or agency in the world that continues to recognize or subsidize the criminal Church of Rome and its officials is objectively engaged in a crime and is also subject to sanctions.

In particular, the government of Italy, through its obligations to the Vatican under the "Lateran Treaty", is an active participant in the crimes of the Roman Catholic Church, and through this Treaty is engaged in the Criminal Conspiracy and War Crimes of that Church.

The Italian government and any state that funds or recognizes the Vatican can therefore justifiably be considered rogue terrorist regimes that are a threat to humanity, and are subject to the full weight of the law, sanctions and force normally employed against war-making nations.

And this is the nub of the issue: why it is necessary for history to pronounce judgment on criminal regimes when established laws refuse to do so. Today, history is embodied in the capacity of men and women everywhere to reclaim the law and use it to disestablish the powers that have for centuries oppressed them and destroyed their children.

Our International Common Law Court of Justice is a first step in this reclamation, and its conviction of Pope Benedict and the Vatican last February was an opening salvo heard around the world. Today, this August 4 Proclamation is the next step in annulling the power of the oldest and most violent corporation in human history: the Church of Rome.

As such, this Proclamation is both a statement of purpose and a Legal Instrument by which men and women everywhere can adhere to the law and justice, and enforce the verdict of history and this Court against the Vatican and its criminal regime.

**Therefore, let it be known and enacted that:**

**1. Jorge Bergoglio, the so-called Pontiff of the Church of Rome, is a wanted criminal under international law. All men and women are compelled to assist the Sheriffs and deputized Agents of this Court in arresting Bergoglio and bringing him into our Common Law Court for trial and sentencing.**

**2. As of this date, the Roman Catholic Church is declared to be a transnational criminal organization that has forfeited its wealth, property and authority, and its right to exist as a corporate body. It is forthwith dissolved as an organization, and its policies and laws are annulled. All persons are compelled to neither associate with nor fund this criminal body, under pain of fine and imprisonment.**

**3. All citizens of every nation are authorized to assist in the active disestablishment of the Roman Catholic Church and the Vatican, Incorporated, by peacefully seizing the assets, property and wealth of this Corporation, and performing citizen arrests on Roman Catholic Church officials and clergy, especially known or suspected child rapists.**

This Proclamation, signed and dated by the user, will constitute the legal authorization of these actions, as will the adjoining Bench Warrant Order issued by our Court on August 1, 2013. These facts and the authority of the Court are hereby proclaimed and ratified by the Bearer of this Proclamation.

## **PUBLIC NOTICE**

Thursday, March 7, 2013

### **CANADA IS DISSOLVED**

A Legal Notice to the People of Canada and to all agents of the so-called Crown of England

Issued by the International Common Law Court of Justice, Brussels

LET IT BE KNOWN, that on February 25, 2013, our lawfully constituted Court and its fifty eight sworn jurors found Elizabeth Windsor, Queen of England and Head of State in Canada, guilty as charged of Crimes against Humanity and of engaging in a Criminal Conspiracy to obstruct justice and conceal her personal complicity in the permanent disappearance of ten Canadian children.

This verdict, which also found guilty former Pope Benedict, Prime Minister Stephen Harper and other officials of church and state, was based on irrefutable evidence of their role in the deaths of over 50,000 aboriginal children through Crown-established and church-sponsored internment camps. Neither Elizabeth Windsor nor any of the defendants denied or contested this evidence, nor did they respond to the Public Summons issued to them. Accordingly, the Pope, the Queen and the Prime Minister were sentenced in absentia to twenty five years imprisonment and a loss of all authority, assets and property.

Our Court's verdict rests upon the Nuremberg Legal Statutes which allow any head of state to be tried for crimes against humanity, as well as the right under Canadian law to hold the Crown liable for tort offenses committed in Canada.

Elizabeth Windsor, as a convicted felon, is not only liable for immediate arrest and imprisonment, but has forfeited any legal or constitutional authority. All constitutional arrangements and Nations based on the authority of the Crown of England have accordingly been legally dissolved.

Therefore, Canada has been rendered as a state without legitimate legal or political authority. It will remain so until a new and lawful Head of State and Constitution can be democratically established by the people of Canada.

As of this date, all agents of the former Crown of England are released from their obligation and allegiance to that Crown and the government of Canada, including all Members of Parliament, judges, civil servants, the police, and the military. All courts, laws and statutes based upon the Crown and former Dominion of Canada are similarly disestablished and their power is nullified.

Until a legitimate government and law is established in Canada, citizens are obligated to conduct themselves under the inherent common law requirement of

equity, peaceable co-existence and self-government, maintaining their own law and order within their communities. For all existing political, legal and police authorities in Canada are illegitimate and inoperative.

As self-governing men and women, citizens are obligated to convene a National Congress to draft a new Constitution for a sovereign Republic of free citizens. This Constitution, established in such a Congress, will be ratified by a popular vote, and will establish a new democratic Republic in Canada.

The new Constitution will include a legal framework to ensure that all of the convicted parties in our case of genocide in Canada will similarly be disestablished as corporate bodies, including those churches responsible for Genocide and Criminal Conspiracy in Canada: namely, the Vatican/Roman Catholic church, the Church of England, and the United Church of Canada.

Our Court has entered this verdict and statement into its permanent record, and issued it to all of the governments of the world and to the United Nations. As such, this Public Notice constitutes a legally enforceable document that may be used by the Bearer to uphold his or her status as a freeborn man or woman within Canada who is not subject to any authority or law save as a Citizen of a democratically constituted Republic in Canada.

Promulgated by the International Common Law Court of Justice on the Seventh Day of March in the year 2013.

An Invitation to Participate in the Birth of a New Nation: The Republic  
of Kanata  
In Winnipeg, Manitoba commencing Monday, June 15, 2014

*"Our land and its wealth resides equally in the hands of all the people, and by  
such justice is the True Law honored and Liberty assured"*

Canada is a rogue nation, created in genocide and conquest and sustained by crime and corruption. But this past year, its heads of state and church have been lawfully convicted of crimes against humanity, and under the Law of Nations, their authority has been nullified and disestablished. (see "Canada is Dissolved" Common Law Proclamation, below)

This revoking of the power of the so-called Crown of England and the government of Canada has given all Canadians the opportunity and obligation to create a new society based on justice and equality, and cleansed of a legacy of crime and foreign domination.

It is on this basis, and from out of the hopes and cries of the living and the dead, that a sovereign Republic in Canada is arising to reflect and uphold the sacred liberties of all of its people and nations. In the lineage of our ancestors and Republican patriots like MacKenzie, Papineau and Riel, we now take this stand.

It is in this recognition and spirit that The Provisional Council of the Republic of Kanata has convened and issued the following statement:

**Let it be known** that a Federal Constitutional Congress will convene on June 15, 2014 in the city of Winnipeg to draft a Proclamation of Sovereign Independence and a Constitution for all the peoples and nations of Kanata.

Delegates from organizing committees across the country will gather on that day to frame the new Republic under the auspices of The Provisional Council of the Republic of Kanata (RoK) and the International Common Law Court of Justice (ICLCJ).

To participate, one must first sign the Oath to Establish the Kanata Republic (below) and pledge oneself to its lawful creation, and form or join a local RoK organizing committee of three or more people from which to seek election as a Congress Delegate. Individuals may also apply to attend the Congress as non voting delegates with speaking rights. The peoples' media and international observers will be present at the Congress, including from the ICLCJ.

The Republic of Kanata will be lawfully proclaimed and enacted following the Congress, no later than July 1, 2014. Join us and take back our country!

For information contact The Secretary of The Provisional Council of the Republic of Kanata at [republicofkanata@gmail.com](mailto:republicofkanata@gmail.com) .

### **A Public Oath to Establish The Republic of Kanata**

As a freeborn man or woman, I the undersigned do hereby and solemnly swear to actively establish a sovereign Republic on the lands and waterways formerly known as the Dominion of Canada, casting aside all previous political allegiances.

I therefore publicly vow my allegiance to the Republic of Kanata, its Laws and its Constitution as established at its Founding Congress under the authority of the Natural Law and the Provisional Council for the Republic.

I take this Oath freely and unconditionally, without coercion or reservation, according to my conscience and capacity as a free born man or woman. I pledge to stand in solidarity with and to defend all those who swear this Oath.
